# WINE REGIONS

Italy's wine regions are as rich and varied as the country itself. From Piemonte's bold Nebbiolo to Sicily's sun-soaked Nero d'Avola, every region brings its own character. Sangiovese stands tall in Tuscany, while Prosecco adds sparkle to Veneto. Up north, crisp Pinot Grigio and fragrant Gewürztraminer thrive in the cool alpine air, as the south turns up the heat with bold reds like Primitivo and Greco.

Every bottle we pour carries a little of that heritage, some steeped in tradition, others with a modern twist. Just like us.
